

Opdualag[™]

(nivolumab and relatlimab-rmbw)

Injection for intravenous use | 480 mg/160 mg

Questions to ask **your doctor**

about Opdualag[™] Here are some questions you might want to bring with you to your next doctor's appointment. Remember that your doctor is always the best source of information when it comes to your health.

Topics for discussion

How does Opdualag work?

How do you think Opdualag will help me?

How is the Opdualag treatment given?

What are the potential side effects that I may experience?

How often will I need Opdualag treatments and how long will they take?

How will I know if Opdualag is working?

Will this treatment impact my daily life in any way?

Things to remember

There's more space for notes on the back.
